

## **Medical and Awareness convoy to Al-Ahly Club on** **Saturday 19/11/2022**

Community Service and Environmental Development Sector, Faculty of Pharmacy arranged a medical and awareness convoy to Al-Ahly Club on Saturday 19/11/2022, under the supervision of the Vice Dean for Community Service and Environmental Development.

The University supported the convoy by providing the necessary devices for measuring blood pressure and blood sugar levels and a bus for transportation.

A total of 24 students from the third, fourth, and fifth levels of the Faculty of Pharmacy participated in the convoy, under the supervision of 4 Teaching Assistants.

Around 100 members of the club attended the convoy and were presented awareness about the harms of narcotics, smoking and anabolics as well as products samples from the Future Factory from Industrial Training.
